

## CURRICULUM VITAE

**Denise Cortis Park**

Revised 10-09

**Citizenship:** USA

**Business Address:** Center for Vital Longevity  
2200 West Mockingbird Lane  
University of Texas at Dallas  
Dallas, TX 75235  
(972) 883-3255

**Cell phone:** (214) 470-8673

**E-mail:** [denise@utdallas.edu](mailto:denise@utdallas.edu)

**Web Site:** <http://agingmind.utdallas.edu> (vitae available on website)

**Home Address:** 3831 Turtle Creek Blvd, #22C  
Dallas, TX 75219

### EDUCATION

**B.A.** Albion College, Albion, Michigan, 1973.  
Summa Cum Laude, Phi Beta Kappa  
Major: Psychology

**Ph.D.** State University of New York at Albany, 1977.  
Specialization: Experimental Psychology

### EMPLOYMENT HISTORY

#### The Center for Vital Longevity, Univeristy of Texas at Dallas

**2008-present** Director, Center for Vital Longevity  
T. Boone Pickens Distinguished Chair of Brain Science&  
University of Texas Regents Research Scholar

**2008-present** Adjunct Professor of Psychiatry,  
University of Texas Southwestern Medical School

#### The University of Illinois at Urbana-Champaign: 2002-present

**2002-2007** Professor of Psychology

Professor, Beckman Institute  
 Director, Center for Healthy Minds  
 Cognitive Division Chair (2002-2004)

### **The University of Michigan: 1995-2002**

**1995-2002** Professor of Psychology  
 Senior Research Scientist  
 The Institute for Social Research

Director, CACHET: Center on Aging and Cognition:  
 Health, Education, and Training.

### **The University of Georgia: 1985-1995**

**1989-1995** Professor of Psychology  
 Chair, Cognitive/Experimental Program  
 Director, Southeastern Center for Applied  
 Cognitive Aging Research

**1985-1989** Associate Professor of Psychology  
 Associate Director, Gerontology Center

### **The University of North Carolina at Charlotte: 1977-1985**

**1983-1985** Associate Professor of Psychology  
**1977-1983** Assistant Professor of Psychology

### **RESEARCH INTERESTS**

The neuroscience of memory and aging  
 Cognitive neuroscience of aging, and culture  
 Cognition in medical settings and aging  
 Social cognition and aging

### **AWARDS AND HONOR SOCIETIES**

Summa Cum Laude Graduate of Albion College  
 Phi Beta Kappa Honor Society  
 Phi Kappa Phi Honor Society  
 Albion College Fellow  
 Alpha Lambda Delta Honor Society  
 Recipient of the William Owens Award given to the  
 outstanding social and behavioral researcher at the  
 University of Georgia, 1995  
 Distinguished Alumni Award, Albion College, 1997

Faculty Research Award, University of Michigan, 1998  
 College of Literature, Science and The Arts  
 Distinguished Contribution Award to Psychology of Aging, Division  
 20, Adult Development and Aging, American Psychological  
 Association, August 2002.  
 Fellow, American Association for the Advancement of Science  
 Fellow, American Psychological Association, Div. 1, 3, 20  
 Fellow, Gerontological Society of America  
 Fellow, American Psychological Society  
 NIH MERIT Award, "Neuroimaging dedifferentiation in the aging mind,"  
 2006-2015.  
["2008 Best Article Award"](#) from the Association for Consumer Research

### **PROFESSIONAL SOCIETIES**

Society for Neuroscience  
 Cognitive Neuroscience Society  
 Fellow, American Association for the Advancement of Science  
 International Association of Applied Psychology  
 Psychonomic Society  
 Society for Applied Research in Memory and Cognition  
 Society for the Study of Human Development  
 Fellow American Psychological Association  
 Fellow, Association for Psychological Sciences (APS)

### **MAJOR NATIONAL AND INTERNATIONAL COMMITTEES**

Chair, External Advisory Committee (Beirat) for the Max Planck Center for  
 Human Development, Berlin, Germany, 2006-2008  
 Chair, Cognition & Perception Review Panel, National Institutes of  
 Health, 2003-2005  
 Board of Directors, American Psychological Society, 2002-2005.  
 Committee on a Research Agenda for Social Psychology, The  
 National Academies of Sciences, 2002-2004.  
 Chair, The Beirat (external evaluation committee), The Max Planck  
 Institute for Human Development, Berlin. 2004-present.  
 Presidential Task Force on Scientific Affairs, American Psychological  
 Association, 2000-2001.  
 Chair, Board of Scientific Affairs, American Psychological  
 Association, 1998-1999, Member, 1997-2000  
 Committee on Aging, The American Psychological  
 Association, 1996-1997  
 Chair, National Institute of Health, Mental Disorders of Aging Study  
 Section, 1995-1997, Member, 1993-1997  
 Chair, American Psychological Society, 1995 National Meeting, June 30-  
 July 2, New York

Council of Representatives, American Psychological Association 1994-1997, Division 20 Representative  
 Chair, American Psychological Association Science Initiative, 1994-1995  
 Chair, The Human Capital Initiative, American Psychological Society, "Vitality for Life: Productive Aging and Psychological Research, a component of the Human Capital Initiative," APS, 1992-1993  
 President, Division 20 (Adult Development and Aging), American Psychological Association; 1991-1992

#### **OTHER NATIONAL COMMITTEES**

Task Force on Aging Report (TFAR), 1994-1995. Member of Advisory Board  
 Interim Advisory Science Committee of the American Psychological Association, 1994  
 American Psychological Society, Program Committee, 1994  
 Federation of Behavioral, Psychological & Cognitive Sciences Member, Sciences Seminar Committee, 1993  
 1995 Membership Committee, Division 20, 1989-1991  
 Network Committee, Division 1, 1987 to 1994  
 Science, Leaders Council, American Psychological Association, 1997-present  
 Chair, Science Forum Committee, Federation of Cognitive and Behavioral Scientists, 1997-present  
 Behavioral and Social Sciences Board, The Gerontological Society of American; 1996-2000 Election Committee, Division 1, 1987  
 Continuing Education Committee, Division 20, 1986-1989  
 Program Committee, Division 20, 1986, 1987  
 Elections Committee, Division 20, 1986  
 Member at large, Division 1 (General Psychology), 1985-1991  
 Elections Committee, Division 1, 1985, 1988  
 Program Committee, Division 20 (Adult Development and Aging), 1985  
 Executive Committee, Division 20, 1984-1997  
 Network Committee, Division 20, 1983  
 Election Committee, Division 20, 1982  
 Program Committee, Division 20, 1982  
 Program Committee, Division 1, 1982

#### **Conferences Organized** (since 1995)

Dallas-ACC (Aging & Cognition Conference). January 2010. Dallas, TX.  
 Second Symposium on Neuroscience, Aging & Cognition, Sponsored by the University of Illinois and Duke University, New York, NY, April 2003  
 Symposium on Neuroscience, Aging & Cognition  
 Funded by National Science Foundation & National Institute on Aging, San Francisco, CA. April 2002

- Conference on Following Your Doctor's Instructions: Cognitive and Social Psychological Perspectives, Funded by National Institute on Aging, St. Pete Beach, Florida, February 2002
- Conference on Human Factors Interventions for the Health Care of Older Adults, Funded by National Institute on Aging, Destin, Florida, February 2000
- Conference on Aging and Communication: Opportunities and Challenges of Technology, Funded by German-American Academic Council Foundation, University of Michigan, Ann Arbor, Michigan, May 1999
- Conference on Elderly - Their Health and Functioning, Funded by German-American Academic Council Foundation, Schloss Dagstuhl, Germany, December 1998
- Conference on Cognition, Aging, and Survey Measurement, University of Michigan, Ann Arbor, Michigan, February 1997
- Conference on Medical Information Processing and Aging, Funded by National Institute on Aging, Destin, Florida, February 1997

## RESEARCH

### *Funded Grants – Present Support*

- Park, D.C. (principal investigator). Active interventions for the aging mind. R01-26589. National Institute on Aging. Direct and indirect costs of 1.461 million. 2007-2012.
- Park, D.C. (principal investigator). Neuroimaging of dedifferentiation and memory across the lifespan. NIH MERIT Award from September 2006 until August 2011 with opportunity for renewal from September 2011 until August 2016 without external review. Direct and indirect costs of \$2.71 million for first five years.
- Park, D.C. (principal investigator) & Chee, M. The cognitive neuroscience of aging and culture. R01 The National Institute on Aging. Direct and indirect costs of \$2,100,000. 2005-2010.
- Park, D.C. (principal investigator) Neuroimaging of dedifferentiation and memory across the lifespan. Minority supplement for Richard King. National Institute on Aging. Direct and Indirect costs of \$350,000.
- Park, D.C. (principal investigator) Center for Healthy Minds (Supplement to 7P30AG023101) (Park) PI National Institute on Aging. September 2009—August 2010. Direct and indirect costs of \$350,000.
- Park, D.C. (principal investigator) and Zhang, R., Rodrigue, K. and Kennedy, K. Impact of Exercise and Engagement on Cognition in Older Adults. National Institute on

Aging Challenge Grant. 10/1/09-9/30/2011 . Direct and indirect costs of \$1,000,000

Park, D.C. (principal investigator), Devous, M., Rodrigue, K., Kennedy, K. . Competitive Supplement to Neuroimaging of Differentiation and Memory across the Lifespan. (Park) PI. 10/1/09-9/30/2011 National Institute on Aging. Direct and indirect costs of \$800,000 ..

Park, D.C. (principal investigator), Devous, M., Rodrigue, K., Kennedy, K. Amyloid Deposition, Aging and Neurocognitive Function 7/1/09-6/30/2010. Alzheimer's Association IIRG., Direct and indirect costs of \$200,000.

Park, D.C. (principal investigator). Administrative Supplement: Active Interventions for the Aging Mind. National Institute on Aging. 10/1/09-9/30/2011. Direct and indirect costs of \$300,000.

#### *Funded Grants - Past Support*

Park, D.C. (principal investigator) & Kramer A. The Center for Healthy Minds. P30 AG023101. The National Institute on Aging. Direct and indirect costs of \$1,806,844. 2004-2009.

Wang, M., Park, D., & Sutton, B. Development of novel methods for neuroimaging analysis with use of a cross-cultural database. Beckman Institute Innovation Grant. The University of Illinois. \$120,000. 2006-2007.

Park, D.C. (principal investigator) and Polk, T. Imagery, visual memory, and aging: A neuroimaging approach. R01AG06265. The National Institute on Aging. Direct and indirect costs of \$2,492,163. 2001-2006.

Park, D.C. (principal investigator) & Nisbett, R.E. Memory, Aging and Culture. National Institute on Aging. July 1998 to June 2003. Direct and indirect costs of \$1,640,854.

Park, D.C., (principal investigator), Crofford, L. & Engleberg, N.C. Cognitive and Neuropsychological Function in Fibromyalgia. The Arthritis Foundation. July 1998 to June 2002. Direct and indirect costs of \$317,000.

Park, D.C. (principal investigator). Cognitive Function in Fibromyalgia Patients: An examination of Neural Bases Using Structural and Functional Magnetic Resonance Imaging. Pfizer Incorporated. November 2001 to April 2003. Direct and indirect costs of \$274,155.

Park, D.C. (principal investigator). Center on Aging and Cognition: Health, Education, and Training. Director and Principal Investigator. National Institute on Aging. August 1998 to July 2003. Direct and indirect costs of

\$3,047,079.

- Schwarz, N. & Park, D.C. (co-principal investigator). Aging, Cognition, and Context Effects in Self-Report. National Institute on Aging. January 1997 to December 2001. Direct and indirect costs of \$1,100,000.
- Park, D.C. (principal investigator). Smith, A.D., & Lautenschlager, G. The Effects of Context on the Aging Memory. National Institute on Aging. August 1995 to July 2001. Direct and indirect costs of \$1,386,056.
- Park, D.C., (principal investigator), Crofford, L. & Engleberg, N.C. Cognitive and Neuropsychological Function in Fibromyalgia. National Institute of Arthritis and Musculoskeletal Diseases. January 1998 to December 2000. Direct and indirect costs of \$289,369.
- Park, D.C. (principal investigator). Communication in the Elderly. German-American Academic Council Foundation (GAAC). April 1998 to December 1999. Direct costs of \$120,000.
- Park, D.C. (principal investigator). The Southeastern Center for Applied Cognitive Aging Research. Director and Principal Investigator. National Institute on Aging. Funded August 1993 to July 1998. Direct and indirect costs of over \$2,000,000.
- Park, D.C., Morrell, R., & Shifren, K. Conference on Aging and Medical Information Processing. Funded February 1997 to January 1998. Direct costs of \$49,995.
- Park, D.C. (principal investigator), Birchmore, D., Hertzog, C., & Leventhal, H. Aging, Arthritis, and Medication Adherence. National Institute on Aging. Funded 1992 to 1997. Direct and indirect costs of \$1,800,000.
- Park, D.C. (principal investigator), & Smith, A.D. Effects of Context on the Aging Memory. National Institute on Aging. Funded August 1991 to July 1995. Direct and indirect costs of \$875,000.
- Park, D.C. (principal investigator), Eaton, T., & Larson, E. The Patient Self-Determination Act: A study of implementation procedures and patient outcomes. AARP Andrus Foundation. Funded July 1992 to December 1993. Direct costs of \$74,477.
- Park, D. C. (principal investigator), Morrell, R., & Firth, M. Hypertension and Medication Compliance: Who is at risk? AARP Andrus Foundation. Funded January 1, 1991 to December 31, 1991. Direct costs of \$74,941.
- Eaton, T., Park, D. C., & Larson, E. Cruzan and the Right To Die: A Proposed Conference. National Health Lawyers Association Educational Fund. Funded October 1990. Direct costs of \$5,000.

Park, D.C. (principal investigator), & Smith, A. Effects of Context on the Aging Memory. National Institute on Aging. Funded 1987 to 1991. Direct Costs of \$167,000.

Park, D.C. (principal investigator) & Morrell, R. Intervention Strategies To Improve Drug Compliance in Community-Dwelling Older Adults. AARP Andrus Foundation. Funded July 1, 1989 to June 30, 1990. Direct costs of \$49,850.

Park, D.C. (principal investigator). Repackaging Devices and Drug Compliance in Arthritic Patients. Lederle Laboratories. Funded May 1989 to October 1989. Direct costs of \$35,122.

Park, D.C. (principal investigator), Poon, L., & Morrell, R. Improvement of Medication Compliance in the Aged: Evaluation and Management of Cognitive Factors. AARP Andrus Foundation. Funded July 1, 1987 to June 30, 1988. Direct costs of \$38,600.

Perri, M., Wolfgang, A., Park, D. C. & Carroll, N. Older Adults and Generic Prescription Medications: Intervention Strategies to Enhance Usage. AARP Andrus Foundation. Funded July 1, 1988 to June 30, 1989. Direct Costs of \$44,200.

Park, D.C. (principal investigator) & Puglisi, J.T. Effects of Two Types of Context on the Aging Memory. National Institute on Aging. Funded May 1, 1985 to April 30, 1987. Direct Costs of \$95,000.

Park, D.C. (principal investigator) & Puglisi, J.T. Picture Processing and Memory Elaboration in the Aged. New Researcher Award. National Institute on Aging. Funded 1981 to 1983. Direct Costs of \$60,000.

Park, D.C. (principal investigator) & Maisto, A.A. Development of an Undergraduate Honors Program in Psychology. National Science Foundation LOCI Program. Direct Costs of \$16,056.

Principal Investigator on UNCC Summer Research Grants for summers of 1978, 1979, 1980, 1981, 1984, 1985.

UNCC Curriculum Development Grants for summers of 1984, 1985.

UNCC Urban Institute Incentive Grant, Summer of 1981.

### **Editorships**

Science Editor, *The American Psychologist*, 1996 to present

Associate Editor, *The Journal of Gerontology: Psychological Sciences*, 1995 to 1997

### **Editorial Boards and Review Committees**

*Member, Editorial Board:*

Cognition, Aging, & Neuropsychology, 1998-present  
 Gerontology, 1998-present  
 Journal of Gerontology, 1984 to 1996  
 Psychology and Aging, 1988 to 1997  
 Perspectives on Psychological Science

*Ad hoc reviewer for numerous journals.*

**Study Section Membership**

Chair, Cognition and Perception Study Section, National Institutes of Health, 2003-2006

Member, Study Section, Cognition and Perception Study Section, National Institutes of Health, October 2001 to October 2003

Chair, Study Section, Mental Disorders of Aging, National Institute of Mental Health, 1994 to 1996

Member, Study Section, Mental Disorders of Aging, NIMH, June 1992 to 1994

Member, Study Section, SBIR Vision Review Committee for the NIH, October 1994

Member, Site Visit Team for University of Pittsburgh Alzheimer's Center, National Institute on Aging, October 1994

Member, Special Study Section, National Institute of Health, Vision/Diabetes SBIR Grants, March 1993

Ad Hoc Member, Study Section, National Institute of Mental Health Clinical Psychopathology Review Committee, February 1993

Ad Hoc Member, Study Section, MRS Biomedical Research Special Review Panel, NIH, April 1991

Ad Hoc Member, Study Section, National Institute of Mental Health Epidemiologic & Services Research, 1987

**Publications**
